The above office became vacant when the postmaster was promoted on 01/30/2010.

The Pomfret Center Post Office has a vacant postmaster position. In the last few years we have seen a decline in mail volume and revenue due to the changes in how our customers' communicate as well as the addition of multiple alternate mailing options now available. By combining both the retail operation and post office boxes of the Pomfret Center Post Office with another facility we will maintain effective and efficient customer service.

IS YOUR PACKAGE SAFE TO MAIL?

You could be mailing hazardous materials
and not even know it.

Many items that appear innocuous are actually hazardous materials. If they leak or spill, they can be dangerous to people, property, and the environment. The United States Postal Service (USPS) is committed to keeping the mail safe and secure. To ensure that hazardous materials are not mailed, the USPS has implemented a series of measures to identify and prevent hazardous materials from being mailed. These measures include: requiring the use of specific packaging for hazardous materials, requiring the use of specific labels for hazardous materials, and requiring the use of specific forms for hazardous materials. For more information on the USPS's hazardous materials regulations, visit www.usps.gov/hazmat.

<p>Record the number of retail window transactions in the appropriate columns for each day. Consider a sale of stamps as one transaction. A sale of stamps and a money order is two transactions. Do not record the handing out over the counter of box mail, general delivery mail, or carrier mail. Instead of this worksheet, you may use PS Form 2007-A, Window Transaction Record; PS Form 2007-B, Window Transaction Conversion; and PS Form 2007-C, Window Transaction Survey. Use hash marks (///) for daily entries in the columns. To obtain the average daily number of transactions during the survey period by the number of days in the survey. The allowable time per transaction is shown in each column in minutes. To determine the average daily workload in minutes, multiply the number of transactions in each column by the time conversion for that column, total the time conversions for all columns, and divide the total number of minutes by the number of days in the survey period.</p>

If you have any comments on alternate means of providing services to the POMFRET CENTER customers, please provide them below:

The Pomfret Center Post Office has a vacant postmaster position. In the last few years we have seen a decline in mail volume and revenue due to the changes in how our customers' communicate as well as the addition of multiple alternate mailing options now available. By combining both the retail operation and post office boxes of the Pomfret Center Post Office with another facility we will maintain effective and efficient customer service.

CONNECTICUT VALLEY DISTRICT

March 2011

Dear Postal Customer,

The Postal Service regularly reviews and evaluates its post office operations in a continuing effort to meet the range of needs for today's postal customer. Retail sales, customer traffic, post office box use, employee complement, service standards, cost savings, parking, customer access, environmental impact, real estate values and the long-term needs of the Postal Service all have a role to play during such reviews.

As the Postal Manager with administrative responsibility in this area, we have identified several issues that merit additional review for your Post Office:

We have not had a permanent Postmaster of Pomfret Center Post Office since January 30, 2010. A review of the business activities of the Post Office revealed that the office workload had declined, due in part to vacant post office boxes. Our review also demonstrates a decrease in daily retail window transactions which is consistent with national trends for declining use of stamps and first class mail, in general.

This suggests that the maintenance of an independent office at Pomfret Center may not be warranted.

We estimate that both retail and post office box could be provided at the Pomfret Post Office, located 1.8 miles away. Hours of service at this office are 8:30 am to 4:30 pm on weekdays and 8:30 am to 11:30 am on Saturday. Post Office box service is available at this location at the same fees and no address change would be required.

Our studies will only lead to a formal proposal if we are satisfied that a maximum degree of regular and effective service can be provided. I invite you to provide your comments and concerns on the enclosed survey regarding this possible change.

Please return the enclosed questionnaire by April 8, 2011. This information will be helpful as we prepare for an hour long informational session, in your community, to be conducted on April 13, 2011 at 7:00pm at the Pomfret Community School located at 20 Pomfret Street. This will be an important opportunity for us to learn more about how best to provide postal services for the community of Pomfret Center going into the 21st century. Clearly, it is a time of change and we welcome your input in this process.

Sincerely,

A handwritten signature in cursive script that reads "Beau LeBouef".

SUMMARY OF POST OFFICE CHANGE REGULATIONS

Certain regulations based on federal law apply when postal managers propose to replace a Post Office with an alternate form of postal service. These regulations are designed to ensure that the reasons for proposing such changes in postal service are fully disclosed at a stage when customers can make helpful contributions toward a final decision. The full text of the statutory provisions appears in Title 39, *United States Code*, Section 404(b), while the implementing regulations appear in Title 39, *Code of Federal Regulations*, Part 241.3.

According to implementing regulations, an initial investigation and any subsequent formal proposal to discontinue a Post Office originate with postal field managers responsible for Post Offices in that area. The proposal must explain the services recommended as substitutes and the rationale that supports this recommendation. The written proposal is prominently posted for 60 days at affected Post Offices, along with an "Invitation for Comments," which formally invites customer comments. At the end of the 60-day comment period, additional review is made at lower and upper levels of postal management.

When a final decision is made at Postal Headquarters in Washington, DC, that decision is posted in affected Post Offices for 30 days, during which customers may appeal the decision to the Postal Regulatory Commission in Washington, DC. The Postal Regulatory Commission has 120 days to consider and decide an appeal. Even without an appeal, no Post Office may be closed sooner than 60 days after the public posting of the final decision.

April 4, 2011

To whom it may concern:

I get rural delivery out of the Pomfret Center Post Office. I would like to know how the closing of the Post office will affect my mail delivery?

I am also a rural carrier at the Pomfret Center Post Office and I would like to know where I am going? I don't think there is enough room for three routes at the Pomfret Post Office. I know the USPS is moving routes to other towns and I would like to know how this will affect the delivery of packages?

Specifically, I understand packages that are undeliverable due to size or weather conditions would be delayed because these packages will need to be shipped back to Pomfret Center for next day pick up rather than same day pickup as is now available.

My Customers are concerned that the closing of the Pomfret Center Post Office will cause delay of their packages, and signature confirmation items. As of now I do not have an answer for them. I would like to be able to tell them more so any answers you could provide would be appreciated.

Manager Beau LeBoeuf

We are sorry we will not be able to attend the informational session on April 13th because we will be departing for Costa Rica. We have been very concerned about the service at our Pomfret Center post office. We have made complaints to the personnel at our post office and have one on-line to write formal complaints because our mail has not been forwarded in a timely fashion, forwarded mail has been mishandled, lost, and gone back and forth from here to our summer residence.

Our situation in retirement is January through March mail is held for my sister to pick it up, forward first class mail to us while we travel in Florida. From mid-May to the end of October our mail is forwarded to our summer home on Supter's Island, Maine. We have been going to Maine since we have lived in Pomfret (1972). We have had more trouble receiving our forwarded first class and hardly ever received our magazines. So we do not have magazines forwarded because they do not get to us.

We have been very concerned with the competency of the postal workers in the past four-five years. We do realize that humans make mistakes but we should not have to worry about receiving our first class bills chasing our mail.

We have been pleased with the rural delivery of our mail to our mailbox on our street. Those mail carriers seem to be doing a good job.

If you are considering closing the Pomfret
Center post office, the Pomfret post office is
further out of the way. We have a
several questions, such as...
Will the Pomfret post office handle more
needed service, especially for box holders?
Will the rural delivery still continue without
any problems?

Will Pomfret post office handle "holding our
mail" as needed for our pick up and be more
competent at forwarding our first class mail
to our summer residence in a timely fashion
while paying attention to dates for this service?
We are very concerned about what will
happen because we have not been pleased
with the service at our Pomfret Center post
office.

Thank you for your attention.

Sincerely,
Ron & Linda Sweatt

Additional comment —

The only time we ever use the Pomfret Center P.O. is when we need to pick up an oversized package that is shipped to us. Otherwise, we always use the Pomfret office to buy stamps, send out mail, etc. because it is closer to our home.

Also, the parking lot @ Pomfret Center P.O. is a nightmare to use.

I can live without the post office if we still get home delivery

Additional Comments:

If this will be a permanent closing of the Pomfret Center Post Office Facility, then what is the purpose of retaining a "Pomfret Center" address? There may be a good reason, but I don't see one. Is there a possibility that a Pomfret Center facility will return if the current one is closed? I realize that some folks don't want change, but I, as many, have moved many times over the past and don't consider it a major hurdle.

Will there be an option to change to a Pomfret 06258 address and PO Box? Is there adequate parking at the Pomfret 06258 location? The Pomfret Center facility parking is limited.

I am sorry but your survey does not cover the frequency of services that we use so I am listing them below.

Buying stamps

We purchase approximately two books of stamps per year which translates to once every six months.

Mailing Letters

We usually use the rural delivery/pickup service for this.

Mailing parcels

Once or twice a year we might have this need.

Picking up Post Office box mail

We do not have a "post office box" the only time we have needed to pick up mail was this past winter when our mail box was knocked off the post to which end we are grateful to you and your staff for holding the mail for a weekly pick up in person.

Buying money orders

I can't remember the last time we purchased or received a money order.

Obtaining special services

We may want a delivery confirmation once or twice a year.

Sending Express Mail

Again we might need this service once or twice a year.

Summary:

While any one or all of these services can be obtained at any Post Office the one factor that might be of concern is the possibility of the deletion of the zip code this would cause some problems with receiving mail it is also difficult to get certain companies to get a new zip code into their system, I know this from experience as a company that I worked for twenty years ago still sends me mail to the old Rural Route #, only last year they have started addressing my mail to the new 911 type address while still using the Rural Route # before the 911 address. This may not be a great concern but to me it is a concern that I hope you will address I believe you have still allowed the use of the old Abington zip code and if that is a solution it would be satisfactory to me, I understand the need to cut costs where ever possible and this would definitely be a way.

Thank you

PO BOX 294

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Pomfret Center Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- In your questionnaire you indicated that it would be inconvenient to use another post office. I realize that with change there is always concern. However, we are confident that the Pomfret Post Office will continue to provide you with effective and regular service. We are looking at changes that would have as little impact to our customers as possible and that is why there would be NO Change of Address necessary if you choose to receive your post office box mail at the Anderson Main Post Office. If this proposal is finalized the actual Pomfret Center post office boxes will be physically moved to the Pomfret Post Office located at 32 Putnam Road and installed there. That means you would have the same key, the same box and the same location of the box within the box section configuration and the same zip code you are using now. The length of time that you prepaid your box rent for would also be honored. Street delivery in the 06259 zip code area will not be affected. Additionally, customers may order stamps by telephone with a credit card by calling 1-800-STAMP 24 or by utilizing Stamps by Mail envelopes available at your local post office or from your letter carrier. Retail services such as Click & Ship™ and Carrier Pickup are also available on line at www.usps.com. There are several locations within a short distance of the Pomfret Center where mailing services can be obtained along with multiple Stamps on Consignment locations and an Automated Postal Center with 24/7 access.

If it is determined that a discontinuance of the Pomfret Center Post Office should be pursued, a formal proposal will be posted in the Pomfret Post Office and Pomfret Center Post Office at a later date. If you have additional questions or comments, please feel free to contact Barbara Mastroianni at (860) 524-6495.

CONNECTICUT VALLEY DISTRICT

Docket: 1377978-06259
Item Nbr: 22
Page Nbr: 738

March 2011

Dear Postal Customer,

The Postal Service regularly reviews and evaluates its post office operations in a continuing effort to meet the range of needs for today's postal customer. Retail sales, customer traffic, post office box use, employee complement, service standards, cost savings, parking, customer access, environmental impact, real estate values and the long-term needs of the Postal Service all have a role to play during such reviews.

As the Postal Manager with administrative responsibility in this area, we have identified several issues that merit additional review for your Post Office:

We have not had a permanent Postmaster of Pomfret Center Post Office since January 30, 2010. A review of the business activities of the Post Office revealed that the office workload had declined, due in part to vacant post office boxes. Our review also demonstrates a decrease in daily retail window transactions which is consistent with national trends for declining use of stamps and first class mail, in general.

This suggests that the maintenance of an independent office at Pomfret Center may not be warranted.

We estimate that both retail and post office box could be provided at the Pomfret Post Office, located 1.8 miles away. Hours of service at this office are 8:30 am to 4:30 pm on weekdays and 8:30 am to 11:30 am on Saturday. Post Office box service is available at this location at the same fees and no address change would be required.

Our studies will only lead to a formal proposal if we are satisfied that a maximum degree of regular and effective service can be provided. I invite you to provide your comments and concerns on the enclosed survey regarding this possible change.

Please return the enclosed questionnaire by April 8, 2011. This information will be helpful as we prepare for an informational session, in your community, to be conducted on April 13, 2011 at 7:00pm at the Pomfret Community School located at 20 Pomfret Street. This will be an important opportunity for us to learn more about how best to provide postal services for the community of Pomfret Center going into the 21st century. Clearly, it is a time of change and we welcome your input in this process.

Sincerely,

Beau LeBouef

Manager, Post Office Operations

POMFRET CENTER POSTAL CUSTOMER QUESTIONNAIRE

Re: Pomfret Center Post Office

For quite some time I have questioned why it is necessary to close for "lunch" when there are multiple employees at this and at other Post Offices. The midday hour(s) of closure are often times when window service is most needed.

Dear Sir:

This survey is long overdue! With all the cutbacks needed to avoid waste, energy and spiraling costs to the public, it only makes perfect sense to consolidate wherever you can. I only hope you will also look at ending Saturday service. Other countries such as Canada has this policy in place for many years.

Sincerely,

Mr. Belliveau

I would like to see the
mail person be more
careful when delivering
the mail. Many times
I will have my neighbors
mail left in my mail box
and end up delivering it
myself. One of my
monthly bills that I always
~~get~~ around the same time each
month. I never get it at all.
With all the mistakes on
this sort I always wonder
who is getting my mail.

I now have my payroll
for my business
delivered right to the
house because even
that would be left
at other people's houses

we are totally in favor of Saturday mail deliveries being discontinued. 98% of the time it's flyers anyway. If a customer ~~the~~ needs to get Saturday they have the option of going to the PO. This would reduce to fuel used and a large reduction in mileage + maintenance on the vehicles. 52 Saturdays = 10.4 weeks or 2 1/2 months worth of driving expenses. Good ~~economics~~ economics.

Though we understand this review/
closure maybe necessary, we would be
very remiss if we did not highlight
The SUPERB service we receive at the
Pomfret Center post office - especially
from Liz, Amy + crew. They are
such a positive reflection on the USPS -
we hope that the decision is to keep
PC PO open AND more importantly -
IF the merger were to take place - that
this phenomenal group of postal workers
would remain in Pomfret. They are
Excellent!

Dear Mr LeBoeuf,

The workers in our local
Office often go above and beyond
the call of duty in their efforts
to serve our community. Most

Recently, the gentleman who works at the counter (his name escapes me at the moment) called us at our home and left his home phone number to contact him with some address information we had left off the package. He wanted to make sure our Christmas package would be delivered to Colorado in time for the holiday. This type of Hometown service is all too rapidly being killed from our Community. It would be such a shame to lose this office and our neighbors to be displaced as a result.

Changing to Pomfret would be difficult for me as there is no mail delivery where I work. I work during the weekday hours when the Pomfret PO is open. Therefore I would only be able to get my mail on Sat. - this is a great inconvenience because

251

nowadays some billing companies only give 2 weeks notice for billing statement. If I can't get the mail for an entire week, then some bills may already be too late to mail. Is there some way to have Pombret stay open until 5:00pm. What about outdoor boxes? What will happen if I have to change my address? Checks are expensive to print. We already have problems with billing companies and our current address because of the PO Box. This will increase the problem.

My Comment:

To: Manager Bearu Lebouef, My main outline being in the Fire Police is for traffic safety and flow. I have found that there is a parking problem with not enough parking spaces which can upset traffic flow on Murdock Rd. and sometimes on Rt. 44. If the parking area was to be increased I believe the Pomfret Center postal Service would have more of a safe convent area for post office box service. At Post Office in Pomfret 06258 I do not believe that there is a parking area that is large enough to accommodate a larger traffic flow and may also upset Rt. 44. Traffic.

Thank You

TO MY ROAD SIDE MAIL BOX AT MY HOUSE IS DELIVERED THROUGH THE POMFRET CENTER P.O. SUPPOSEDLY THE POMFRET P.O. HAS NO MAIL DELIVERY CAPABILITIES. WHILE I AGREE 2 SMALL P.O. LOCATIONS FOR SUCH A SMALL TOWN AND POPULATION IS INEFFICIENT AND NEEDS TO BE ADDRESSED IS THE POMFRET P.O. LARGE ENOUGH?

THE POMFRET CENTER PARKING LOT IS SMALL AND WHEN MORE THAN 1 CAR IS MOVING IN THE PARKING LOT IT APPEARS DANGEROUS -

Hello –

If it were to come down to closing either the Pomfret Center P.O. or the Pomfret P.O., I might suggest closing the Pomfret location, rather than the Pomfret Center location.

The Pomfret P.O. has a more complicated traffic arrangement (set at the edge of a blind curve on Route 44, the main highway through Pomfret) and has a parking area that's no larger and may be smaller than that of the Pomfret Center location.

Parking is already a problem at both locations. If the parking problem were to be doubled at the Pomfret P.O., the logistics of entering from and exiting onto a busy road with poor visibility in one direction could be truly a safety issue.

Exacerbating the parking problem at the Pomfret Center P.O. is certainly less than ideal, but at least the building is not directly on Route 44, which provides some increased measure of traffic safety.

I hope you'll consider this concern when you make your decision.

Thank you.

Sincerely,

Dear Mr. LeBouef,

Thank you for giving us the opportunity to comment on Postal services in Pomfret. We are certainly aware of the situation facing the U.S. Postal Service and the compelling need to close branches that may not be crucial in the towns they serve. It's a tough predicament and we expect that you're hearing from many patrons who are unhappy about losing the branch most convenient for them to use.

The situation for us in Pomfret is not only, but much more importantly an issue of safe use of the main Pomfret Post Office. Parking at the Pomfret Post Office is nearly always impossible during the times when we are able to go there, and the traffic situation can sometimes be quite dangerous as drivers turn from either Route 169 or Murdock Road into the location's driveway. The office has no more than six parking spaces aside from the handicapped space, some of the spaces are hard to get in and out of, postal employees' vehicles take up an appreciable amount of the rest of the lot, and the geography of the location often makes it impossible for patrons driving into the parking lot to see whether they'll be able to park once they're in the lot. Many drivers, particularly elderly ones, then find it difficult or impossible to find a way to back up and turn around—especially when other patrons drive in behind them—so they get stuck in the middle of the lot. During the winter holidays or on any Saturday morning or late weekday afternoon the situation there is chaotic and because of this we try to avoid the Pomfret office if at all possible. We can't say that the parking at the Pomfret Center branch is more spacious (it isn't), but given the better visibility in both directions on Route 44, it is certainly far less dangerous and aggravating to use than the Murdock Road location. What we need is a new Post Office with adequate parking like the ones recently built in Woodstock and Windham.

Thanks for your attention.

Sincerely,

Pamela Cartledge

I suspect that part of the loss in P.O. Box Rentals is due to the atrocious parking lot (mini size) which discourages patrons from using the P.O. Transferring to Pomfret P.O. would clog up that modest-sized parking lot - a loss of more business.

To whom it may concern

The parking at both Post offices in town is inadequate. I live on the eastern part of town yet utilize the Pomhet Center Post office because it is centrally located within the town. I often find myself travelling on Route 169 and 101 so it is convenient at any time.

I would suggest that the two post offices be combined into one. The existing Pomhet Post office on Route 44 does not have sufficient parking. A better and more centrally located building is needed.

In response to your letter:

- You expressed a concern about those customers with disabilities who are not able to go to the post office to pick up their mail. Customers are not required to travel to another post office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.

The closing of the Pomfret Center post office will be an inconvenience to our family.

It would be inconvenient to use the Pomfret Post Office because of the small parking area, access to the Pomfret location is a dangerous entrance and exit onto the highway. It has a smaller lobby & office area, a small number of boxes - we have a box address which also would mean that our address would have to change thus causing it's own problems. We are unable to have a street mailbox because of the dangerous location and the fact that every year it would have to be reinstalled. We tried a road mailbox and it was destroyed by snow or car accidents, and vandalized.

We daily pick up our mail at the Pomfret Center Post office and there is no need to stop at another office during the day. The old location seems to be very

busy. It seems hard to believe that closing the Pomfret Center office would be beneficial to me and my family. To combine both postal offices at the Pomfret location seems that it would not be large enough to accommodate all the traffic of cars and patrons.

Thank You

Garry & Deborah Brown

I have had my P.O. Box in Pamfret Center for over 20 years. I like it because it's convenient and because I do not have to worry about my mail. The fee is also a lot less than other area post offices but that is not why I kept it all these years.

The people in Pamfret Center help me a lot. I get 9 magazine issues a month and since I am on grave shift for Fox Woods, I cannot make it to the P.O. everyday as I use to. They are very kind and considerate and keep them on the shelf until I can pick them up. This saves me from having them damaged all the time unless they come in this way. **It is a very nice thing** for them to do for me as they don't have to. Yes I could get a bigger box but that means I have to get another P.O. # and 207 is the one I've had for the last 20+ yrs. That in itself would be inconvenient. I was really happy when the shelving became an option - a service that I'm not so sure I would get in the Pamfret Office.

I am very sad that you are considering closing the Pamfret Center Office. It would be an inconvenience for me to drive across town to the other office as I am never usually going that way. It's also a smaller office than Pamfret Center and the hours are different which also make it more inconvenient. I honestly don't see, being a Pamfret Center native, how much more it will benefit you to close Pamfret Ctr. It's always busy. At least the time when I'm able to pick up my mail. I will be completely dissatisfied if Pamfret Ctr is closed as, yes, I have dealt with Pamfret in the past and I prefer Pamfret Center. I have family that uses the Pamfret Office.

I don't think I mentioned how nice all the carriers are as well as Liz, Anne and Smithy who I see the most and would miss if this does happen. I would have to find a more convenient place for a P.O. so I'm happy that Pamfret Center does not close.

Thank you

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Pomfret Center Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about those customers with disabilities who are not able to go to the post office to pick up their mail. Customers are not required to travel to another post office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.

If it is determined that a discontinuance of the Pomfret Center Post Office should be pursued, a formal proposal will be posted in the Pomfret Post Office and Pomfret Center Post Office at a later date. If you have additional questions or comments, please feel free to contact Barbara Mastroianni at (860) 524-6495.

Sincerely,

To Whom It May Concern:

Marshall and Virginia Eaton would like to request that the Pomfret Center Post Office remain open.

- 1.) We have maintained a post office box at the Pomfret Center Post Office for thirty-one years and feel our mail is safe being delivered at this post office. The hours are convenient and the staff are very friendly.
- 2.) We decided to maintain a post office box because of the closeness of the post office and, more importantly, within weeks of moving in at our present home at 185 Deerfield, we had our mail box smashed after spending a lot of money for the mail box and time & effort placing the mail box near the road. (Recently, four mail boxes in our immediate neighborhood have been vandalized.)
- 3.) Although the traffic can be hectic at times at the Pomfret Center Post Office, we feel that if we had to use the Pomfret Post Office, the traffic is MOST dangerous in that location (especially traffic coming from the east).
- 4.) Most importantly, all our snail mail is with the post office at Pomfret Center. This would cause a huge inconvenience to change our address!

Thank you!

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Pomfret Center Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the limited hours of operation at the post office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue. A workload analysis conducted in indicated the office had declined from an EAS- to an EAS- level office, qualifying for hours of service per week. The CPO will provide at least the same number of window service hours as the post office.

If it is determined that a discontinuance of the Pomfret Center Post Office should be pursued, a formal proposal will be posted in the Pomfret Post Office and Pomfret Center Post Office at a later date. Notes

We originally used the Abington post office. When it closed we were moved to Pomfret Center. If Pomfret Center closes we will have to change address again, now that they are all changed over.

Moreover, the Pomfret P.O. does not open at 8 am making it impossible for me to access since I am at work from 8:30 to 5.

Having a Postmaster is irrelevant since only the service matter and the Pomfret P.O. is not at all centrally located in the town.

I would have no problem with consolidating to the Pomfret Center P.O., please don't close it, or at least extend the hours at Pomfret.

Comments: ① Reduce paper waste - Comments on reverse side instead of attached sheet. MORE ON REVERSE.

② Letter states no address change will be required, but:

a) what zip code would be used?

b) Would we be able to have the same box number or would we need to change to a new number?

These will both affect our printed materials, such as letterhead, envelopes and business cards, as well as changes to our website, all of which will lead to additional expense for our company.

③ While the new location (for us) would be only about 2 miles additional each way, this would total 8 miles daily (2 post office runs each day). With the increasing cost of gasoline, plus wear and tear on the vehicles, this also would lead to additional expense for our company.

I depend on my post office. I go there regularly. It would be a great inconvenience if it closed. I don't want to drive any further to another, and I wouldn't want to turn to on line to pay my bills. I also enjoy talking to the great workers there.

If the Pomfret center
office closes I don't
believe that the very
small Pomfret office
could handle all of
the business. I'm sure
it would become very
crowded and extremely
slow with service.
You would surely have
to build a bigger
office. Wouldn't it
make more sense to
close the smaller of
the two?

To Whom It May Concern:

Under no circumstances do I want this Post Office to close. I have had my P.O. Box here for the last 13 years & I am very satisfied with the services I receive here.

If one Post Office has to "go" - eliminate the Post Office which is located 1.8 miles away - Thank you -

I do come into the post office to buy stamps, maybe monthly or every other month. I buy money orders from time to time. And send out certified or registered mail, maybe every other month or two-three months. This is the closest post office to us.

Fr: Angela & Fred Spring
151 Mashamoquet Rd. Rte 44
PO Box 10
Pomfret Center, CT 06259

We are reaching out to you to let you know what a hardship this will be if you close our Pomfret Center, CT 06259 Post Office. When we purchased our home at 151 Mashamoquet Rd- our mail box was across the road on Rte 44, we had to cross over the street to pick up our mail-when my husband walked across the street a truck almost hit him. It was then we decided to obtain our PO Box 10. Then as luck would have it. A truck smashed our mail box that was located on Rte. 44. So we are not planning to put a new mail box on Rte 44, as it is a hazard.

Fred will be 80 years old this June-so this would not be a smart move on our part. However, the additional hardships are, Angela & Fred Spring/Feather Hill B&B, Camille, Michael/Samantha Geddes, X-Ray Accessories all receive mail in the PO Box 10.

Then it will be all of our insurance and Social security /Medicare/doctors/bills that all will need to be notified of change of address.

What really is upsetting, is that we received your request question are to be returned to your office April 8, 2011-then you are having meeting April 13, 2011-where did you give us enough time to no less to get this back to you in enough time to review, and then to attend a meeting?

With this short notice of all of your requests, it seems to me that the Post office is not really concerned of all of the Pomfret Center, CT well being!

What happens if the Pomfret PO does not have ample boxes? I think you need to reschedule your meeting, and give people enough notice so more can attend.

Also, PO Box 54-Albert E. Dehnel will be affected, he is a truck driver on the road, and if I did not see him yesterday, April 8, 2011-he would not even know what is going on.

Thank you
Angela & Fred Spring

5. We hope that Pomfret Center, 06259 can be allowed to continue on site the splendid service for which it is so well known and has proven to be so effective.

4. A Box 302 is visible in Pomfret. Even if available, it would be inadequate to our needs.

3. Our most recent mailing consisted of 420 first class items which will elicit first class responses (420 we hope!) which will require first class replies. At least one additional such mailing may be anticipated this year. The most recent bulk mailing of which I have a record contained 4,490 pieces.

2. Our success depends absolutely on prompt and secure communication with members, friends, the general public, funding institutions, and other professional entities of various sorts. One of our WORST NIGHTMARES is a change of address!

Pomfret Center, CT 06259-9516
April 7, 2011

Up until a year ago when I retired, my husband and I always had a post office box in Eastford. Since then we have had mail delivery to our home. Changing the delivery post office will not affect us. We do purchase our stamps from the carrier, but any other services we need we use Eastford PO which is closer.

Of greater concern is the fact that mail to Eastford residents in our area has a Pomfret Center address. This continues to cause issues with auto registrations, town of taxation, some deliveries, etc. If changes to our delivery are to be made, it seems like an appropriate time to correct addresses, so residential and mailing are the same.

Another issue I wish to state is the problem with mail forwarding. We filed a change of address at the Eastford post office and mail received there was sent to be forwarded (Willimantic or Hartford). Several pieces of mail were dated November 2010 but we didn't receive them until February 2011.

Sincerely yours,

Mary W. Grube

YOUR LETTER STATES "NO ADDRESS CHANGE WOULD BE REQUIRED" - REALLY???

1) I KNOW THAT MY BUSINESS P.O. BOX NUMBER IS INCURRENT USE IN THE 06258 ZIP - SO, HOW WOULD WE BOTH BE ABLE TO MAINTAIN THE SAME P.O. BOX NUMBER?

2) ALSO, WOULD THE POMFRET POST OFFICE PROVIDE BUREAU DELIVERY SINCE IT DOES NOT NOW?

PLUS, THE SIGHTLINES FOR EXITING INTO TRAFFIC ARE VERY POOR AT THE POMFRET POST OFFICE AS I DISCOVERED WHEN GIVING A TEST RUN LAST WEEK.

I WOULD PREFER TO KEEP POMFRET CENTER. The Mongillo Family

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Pomfret Center Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You were concerned about obtaining services from the carrier, retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

If it is determined that a discontinuance of the Pomfret Center Post Office should be pursued, a formal proposal will be posted in the Pomfret Post Office and Pomfret Center Post Office at a later date. If you have additional questions or comments, please feel free to contact Barbara Mastroianni at (860) 524-6495.

Pomfret Center, CT. 06259

As a small business in Pomfret Center CT. My work produces custom cut leather with gold embossed design for new desks top & tables well as for restoration of antique desk & tables. My product is rolled up and shipped using USPS Priority mail boxes and tubes, at present I ship 20 to 30 tops a week along with my Co. information packets vial USPS Priority mail enveloped 10 to 20 weekly. I daily go to the post office to pick up and ship these items out. If the PO is closed I would be forced to use the Pomfret PO or Putnam PO. Both are not an option I would use as the drive is just enough that using UPS, Fed-Ex will be a better option for me. The Tracking Method used by UPS & FED-EX is far superior to USPS tracking but the personal service at the PO in Pomfret Center profoundly out ways UPS OR FED-ED and make USPS a better option for shipping my product throught the US. Canada and at time out of the Country. Remove this and the scale of balance is far out weighted & would use other Shipping methods.

As for the personal service at Pomfret Center, The Staff are by far the most obliging I have ever seen. This is one of the most profound reasons to having a facility in town & using it. AS Pomfret Center has no Post Master now and an OIC. This is not a reason for closing a PO is just an excuse. Without a Post master and an OIC this is a savings to you as you don't pay a Postmaster salary, having an OIC wearing two hats, clerk & OIC at a clerk salary.

To Close Pomfret Center PO and have the Pomfret PO remain open is something I can't see as a viable option for the town. As all in this town know both PO have not enough parking and are small but to close one will over load the remaining PO and make going a Pain-full daily task. Pomfret PO has Even a smaller parking area than Pomfret Center parking, the Cars will be lined up and down the street both sides of the road daily, This will make for a accident waiting to happen a car verses car accident or worse yet car verses pedestrian .There is very little or no room for PO Box Expansion at all to accommodate the transfer from Pomfret Center PO boxes to Pomfret PO ,all PO # from Pomfret Center, will need to be changed in some way to avoid duplication. I addition The Pomfret Center, PO interior could be remodeled to accommodate all PO boxes in the town of Pomfret where I see this in not the case with Pomfret PO.

I do have to admit That I feel closing this Pomfret Center PO is only the first step in your approach to cost savings I do foresee you wanting to close the remaining Pomfret Po as well, thus leaving Pomfret with no PO in town which is totally unacceptable .I do see only one solution limp along and look for a solution in finding one larger facility to have in Pomfret to accommodate all pomfret not closing up all and letting pomfret be with a PO witch I do profoundly believe is where the Postal Service is heading I do hope you will take in considerations some of my thoughts I pointed out prior to making a final decision.

Sincerely

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Pomfret Center Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the economic savings of the proposed discontinuance. Concern was also expressed that too much money was spent in the larger cities. Carrier service can be and, in this case, is more cost-effective than maintaining a postal facility and a postmaster position. The Postal Service estimates an annual savings of approximately totalsavings. Additional funds are necessary in larger cities because of a greater workload. Larger cities often realize greater revenue which can offset their greater expenses.

If it is determined that a discontinuance of the Pomfret Center Post Office should be pursued, a formal proposal will be posted in the Pomfret Post Office and Pomfret Center Post Office at a later date. ON Back

You'll notice that you'll find Both my
(Wives & mine) questionnaires in the same envelope.
We take ~~out~~ spending our tax dollars very seriously
& by combining them we're saving postage.

This I point out because to close a Post
Office that is large enough to serve a large area
with Rural Delivery because the Postmaster is
at the smaller Dinky one when you could move the
Postmaster instead is simply a very poor decision.
It will necessitate you spending \$ that we don't
have in order to serve such an expanded area.
If you want to close one, close the smaller
one that doesn't have any rural delivery.

Pomfret Center does because it has to serve a
much larger area.

Thank you for giving me the chance
to let you know how we taxpayers feel about
this.

Dear Sir

If you do away with,

how will all the residents

by their homes,

The Pomfret Post Office

does not have a delivery

I do not wish to get
A P.O. Box at the Post Office.

If you close the Pomfret

Please read enclosed. Thank you!

To Manager Beau LeBoeuf,

We are sorry we will not be able to attend the informational session on April 13th because we will be departing for Costa Rica. We have been very concerned about the service at our Pomfret Center post office. We have made complaints to the personnel at our post office and have gone on-line to write formal complaints because our mail has not been forwarded in a timely fashion, forwarded mail has been mishandled, lost, and gone back and forth from here to our summer residence.

Our situation in retirement is January through March mail is held for my sister to pick it up & forward first class mail to us while we travel in Florida. From mid-May to the end of October our mail is forwarded to our summer home on Suxton's Island, Maine. We have been going to Maine since we have lived in Pomfret (1972). We have had more trouble receiving our forwarded first class and hardly ever received our magazines. So we do not have magazines forwarded because they do not get to us.

We have been very concerned with the competency of the postal workers in the past four-five years. We do realize that humans make mistakes but we should not have to worry about receiving our first class bills & chasing our mail.

We have been pleased with the rural delivery of our mail to our mailbox on our street. Those mail carriers seem to be doing a good job.

If you are considering closing the Pomfret Center post office, the Pomfret post office is 1 1/2 miles further out of the way. We have a few questions, such as...

Will the Pomfret post office handle more needed service, especially for box holders?

Will the rural delivery still continue without any problems?

Will Pomfret post office handle "holding our mail" as needed for our pick up and be more competent at forwarding our first class mail to our summer residence in a timely fashion while paying attention to dates for this service?

We are very concerned about what will happen because we have not been pleased with the service at our Pomfret Center post office.

"Thank you for your attention.

Sincerely,

Ron & Linda Sweatt

Postal Service Customer Community Meeting Analysis

(categorize customer concerns as postal or nonpostal and provide the Postal Service response for each.)

Postal Concerns

1. Concern (UnFavorable):
Parking is a concern
Response:
We will review the concern regarding the lack of parking to see what is available.
2. Concern (UnFavorable):
No Concern
Response:
Thank you for your comment.
3. Concern (UnFavorable):
Will duplicate numbers for PO boxes be an issue?
Response:
Pomfret Center will be issued their own numbers in order to preserve the community's identity.
4. Concern (UnFavorable):
What are the penalties imposed if you break that lease and put both entities in on building? Maybe it is a better deal?
Response:
Some leases have termination clauses which would need to be reviewed, at this point we are still in a data collecting phase and this is why your community input is so very important.
5. Concern (UnFavorable):
Customer expressed a concern about package delivery and pickup
Response:
You expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport.
6. Concern (UnFavorable):
Customers were concerned about a change of address
Response:
You expressed a concern about a change in address. Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available from the Postal Service to assist customers in notifying correspondents of the change.

Nonpostal Concerns

03/21/2011

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way postal services are provided. Our tentative plans will only lead to a formal proposal if we are satisfied that a maximum degree of regular and effective service can be provided.

The postmaster at the POMFRET CENTER Post Office was promoted on 01/30/2010. A review of the business activities of the Post Office revealed that the office workload had declined. Our office review revealed a decrease in daily retail window transactions. This reduced workload suggests that the maintenance of an independent office at POMFRET CENTER may not be warranted. We estimate that carrier service would cost the Postal Service substantially less than maintaining the Post Office in your community and still provide regular and effective service. Retail services are also available at the POMFRET PO, located 1.8 miles away. Hours of service at this office are 08:30 16:30, Monday through Friday, and 08:30am to 11:30am on Saturday. Post Office box service is available at this location at the same fees. I invite you to provide your comments and concerns on the enclosed survey regarding a possible change to another Classified Post Office. Please return the enclosed questionnaire by April 8, 2011. You may, of course, want to discuss this form of service with us before drawing any conclusions.

If you would like an opportunity to discuss alternatives with us, a postal representative will be at The Pomfret Community School, located at 20 Pomfret Street on 04/13/2011 from 7:00pm to 8:30pm to answer questions and provide information about our service.

If you have any questions, you may contact Barbara Mastroianni at (860) 524-6495.

Thank you for your assistance.

Sincerely,

PROPOSAL TO CONSOLIDATE
THE POMFRET CENTER, CT POST OFFICE
AND CONTINUE TO PROVIDE
A INDEPENDENT POST OFFICE

DOCKET NUMBER 1377978 - 06259

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to consolidate the Pomfret Center, CT Post Office and provide delivery and retail services by a independent post office under the administrative responsibility of the Pomfret Post Office, located two miles away.

A classified branch is operated by carrier postal employees and provides the same services as an independent post office, except for postage meter setting and acceptance of permit mail.

The postmaster position became vacant when the postmaster was promoted on January 30, 2010. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: The Pomfret Center Post Office has a vacant postmaster position. In the last few years we have seen a decline in mail volume and revenue due to the changes in how our customers' communicate as well as the addition of multiple alternate mailing options now available. By combining both the retail operation and post office boxes of the Pomfret Center Post Office with another facility we will maintain effective and efficient customer service.

The Pomfret Center Post Office, an EAS-16 level, provides service from 8:00am - 4:45pm, closed between 1:00pm - 2:00pm for lunch Monday - Friday, 8:00am - 12:00pm Saturday and lobby hours of 7:30am - 5:00pm on Monday - Friday and 7:30am - 12:00pm on Saturday to 268 post office box or general delivery customers and 1,399 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders, special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services, and the acceptance and dispatch of all classes of mail.

The retail window averaged 127 transaction(s) accounting for 128 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by independent post office. Office receipts for the last 3 years were: \$175,628 (458 revenue units) in FY 2008; \$166,828 (435 revenue units) in FY 2009; and \$156,014 (407 revenue units) in FY 2010. There were one permit mailer(s) or postage meter customer(s).

The classified branch will provide at least the same number of window service hours and services as the post office except for permit mail acceptance and postage meter settings. Retail service is also available at the Pomfret Post Office, an EAS- level office located 1.8 miles away. Window service hours are from 8:30am - 16:30pm, Monday through Friday, and 08:30am - 11:30pm on Saturday. There are 45 post office boxes available.

On April 13, 2011, representatives from the Postal Service were available at The Pomfret Community School, located at 20 Pomfret Street to answer questions and provide information to customers. 59 customer(s) attended the meeting.

On March 31, 2011, 1900 questionnaires were distributed to delivery customers of the Pomfret Center Post Office. Questionnaires were also available over the counter for retail customers at the Pomfret Center Post Office. 267 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 1 favorable, 102 unfavorable, and 164 expressed no opinion.

If this proposal is implemented, delivery services will be provided by the Pomfret Post Office, an EAS-13 level office. Retail and PO Box service will still be available at the Pomfret Center Post Office.

The following concerns were expressed on the returned questionnaires, at the community meeting, from customer letters, on the petition, and from the congressional inquiry.

- | | |
|--------------------|--|
| 1. Concern: | Complained of limited parking and traffic safety/congestion. |
| Response: | Provisions will be made to handle the increase of customer traffic by adding additional parking spaces. |
| 2. Concern: | Complained of limited parking and traffic safety/congestion. |
| Response: | The lack of parking at the Pomfret Post Office provisions will be made to add additional parking to accommodate our customers. |
| 3. Concern: | Customers expressed concern for those customers with disabilities who are not able to go to adminoffice Post Office to pick up their mail. |
| Response: | The customer expressed a concern about those customers with disabilities who are not able to go to the post office to pick up their mail. Customers are not required to travel to another post office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster. |
| 4. Concern: | It was required about building a new facility or something on it. |

Response:

The customer inquired about building a new facility or a mobile unit. New construction or the placement of a mobile unit or trailer is not feasible when regular and effective service can be provided by more cost-effective alternatives, such as rural delivery.

5. **Concern:**

Customers questioned the economic savings of the proposed discontinuance. Concern was also expressed that too much money was spent in the larger cities

Response:

The customer expressed a concern about the economic savings of the proposed discontinuance. Concern was also expressed that too much money was spent in the larger cities. Carrier service can be and, in this case, is more cost-effective than maintaining a postal facility and a postmaster position. The Postal Service estimates an annual savings of approximately totalsavings. Additional funds are necessary in larger cities because of a greater workload. Larger cities often realize greater revenue which can offset their greater expenses.

6. **Concern:**

Customers said they would miss the special attention and assistance provided by the personnel at the

Response:

I appreciate the number of comments on the friendly service you receive at the Pomfret Center Post Office. I am confident you will find this level of quality, personal service at our Pomfret Post Office as well. Others have mentioned that the Pomfret center Post office is an important part of the community and adds to the quality of life in the area. We will include these thoughts in our report as well.

7. **Concern:**

Customers were concerned about a change of address

Response:

The customer expressed a concern about a change in address. Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available from the Postal Service to assist customers in notifying correspondents of the change.

8. **Concern:**

Customers were concerned about having to travel to another post office for service

Response:

The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

9. **Concern:**

Customers were concerned about obtaining accountable mail and large parcels

Response:

The customer expressed a concern about obtaining accountable mail and large parcels. If you live less than one-half mile from the line of travel, the carrier will attempt delivery of accountable items and large parcels to the customer's residence. If the live over one-half mile away or is not home when delivery is attempted, a notice will be left in the mailbox. Large parcels will be left outside the mailbox or at a designated location or a notice will be left in the mailbox. Attempted delivery items will be taken back to the administrative Post Office. Customers may pick up the item at the post office, request redelivery on another day or authorize delivery to another party.

10. **Concern:**

Customers were concerned about obtaining services from the carrier

Response:

The customer were concerned about obtaining services from the carrier, retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to

purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

Customers were concerned about the limited hours of operation at the post office

11. Concern:

Response:

The customer expressed a concern about the limited hours of operation at the post office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue. A workload analysis conducted indicated the office had declined from an EAS- to an EAS- level office, qualifying for hours of service per week. The CPO will provide at least the same number of window service hours as the post office.

15. **Concern:** inquired about building a new facility or a mobile unit
- Response:** The customer inquired about building a new facility or a mobile unit. New construction or the placement of a mobile unit or trailer is not feasible when regular and effective service can be provided by more cost-effective alternatives, such as rural delivery.
16. **Concern:** No Concern - inconvenient
- Response:** In your questionnaire you indicated that it would be inconvenient to use another post office. I realize that with change there is always concern. However, we are confident that the Pomfret Post Office will continue to provide you with effective and regular service. We are looking at changes that would have as little impact to our customers as possible and that is why there would be NO Change of Address necessary if you choose to receive your post office box mail at the Pomfret Post Office, located at 32 Putnam Road and installed there. That means you would have the same key, the same box and the same location of the box within the box section configuration and the same zip code you are using now. The length of time that you prepaid your box rent for would also be honored. Street delivery in the 06259 zip code area will not be affected. Additionally, customers may order stamps by telephone with a credit card by calling 1-800-STAMP 24 or by utilizing Stamps by Mail envelopes available at your local post office or from your letter carrier. Retail services such as Click & Ship™ and Carrier Pickup are also available online at www.usps.com. There are several locations within a short distance of the Pomfret Center where mailing services can be obtained along with multiple Stamps on Consignment locations and an Automated Postal Center with 24/7 access.
17. **Concern:** No Concern - parking
- Response:** If it is determined that a discontinuance of the Pomfret Center Post Office should be pursued, a formal proposal will be posted in the Pomfret Center Post Office at a later date. If you have additional thoughts or comments, please feel free to contact Barbara Mastroianni, Post Office Review Coordinator at (860) 524-6495.
18. **Concern:** No Concern - parking and home delivery
- Response:** In response to your concern regarding your current home delivery, this will remain the same with no interruption of service. We are currently reviewing the concerns regarding the parking at the Pomfret Post Office and are looking for a resolution. If it is determined that a discontinuance of the Pomfret Center Post Office should be pursued, a formal proposal will be posted in the Pomfret Center Post Office at a later date. If you have additional thoughts or comments, please feel free to contact Barbara Mastroianni, Post Office Review Coordinator at (860) 524-6495.
19. **Concern:** No Concern Praises her current carrier Lois.
- Response:** I appreciate the number of comments on the friendly service you receive at the Pomfret Center Post Office. I am confident you will find this level of quality, personal service at our Pomfret Post Office as well. Others have mentioned that the Pomfret center Post office is an important part of the community and adds to the quality of life in the area. We will include these thoughts in our report as well.
20. **Concern:** Would like home delivery.
- Response:**
21. **Concern:** You were concerned about having to travel to another post office for service
- Response:** The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

22. **Concern:**

Customer expressed a concern about package delivery and pickup

Response:

The customer expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport.

23. **Concern:**

Parking is a concern

Response:

We will review the concern regarding the lack of parking to see what is available.

24. **Concern:**

What are the penalties imposed if you break that lease and put both entities in on building? Maybe it is a better deal?

Response:

Some leases have termination clauses which would need to be reviewed, at this point we are still in a data collecting phase and this is why your community input is so very important.

25. **Concern:**

Will duplicate numbers for PO boxes be an issue?

Response:

Pomfret Center will be issued their own numbers in order to preserve the community's identity.

Some advantages of the proposal are:

1. Maintains a postal facility and retail outlet in the community.
2. Customers will continue to use the same mailing address and ZIP Code. There will be no change to customers' addresses.
3. The unit will continue to provide nonpostal services, a community gathering place and information center.
4. Provides the same retail service as an independent post office.
5. A savings for the Postal Service, which contributes in the long run to stable postage rates and savings for customers.

Some disadvantages of the proposal are:

1. Loss of an independent post office in the community.
2. Loss of a postmaster position.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Pomfret Center is an unincorporated community located in Windham County. The community is administered politically by Town of Pomfret. Police protection is provided by the CT State Police. Fire protection is provided by the Pomfret Fire Dept.. The community is comprised of retirees, commuters, and self-employed, and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include, listed on Post Office Survey- these businesses are comprised of both residential business and post office box businesses. Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Pomfret Center Post Office will continue to be provided by the Pomfret ~~Center~~ Post Office. BRH

The following nonpostal concerns were expressed on the returned questionnaires, at the community meeting, on the petition, and on the congressional inquiry:

None

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster was promoted on January 30, 2010. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 82,216 with a breakdown as follows:

Postmaster Salary (EAS-16, No COLA)	\$ 41,810
Fringe Benefits @ 33.5%	\$ 14,006
Annual Lease Costs	<u>+ \$ 26,400</u>
Total Annual Costs	\$ 82,216
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 82,216</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to consolidate the Pomfret Center, CT Post Office and provide delivery and retail services by a independent post office under the administrative responsibility of the Pomfret Post Office, located two miles away.

The postmaster was promoted on January 30, 2010. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by independent post office.

The Pomfret Center Post Office provided delivery and retail service to 268 PO Box or general delivery customers and 1,399 delivery route customers. The daily retail window transactions averaged 127. There are one permit mailers or postage meter customers.

A classified branch will continue to provide the same services as an independent post office, except for permit mailings and meter settings. There will be a loss of the postmaster position. However, the branch will be operated by career postal employees. To help preserve community identity, the community name and ZIP Code will be retained in the mailing address. Customers will experience no change in address. The Postal Service will save an estimated \$82,216 annually. The branch will be administered and supervised by the Postal Service to ensure that high standards of service are maintained.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Pomfret Center Post Office and Pomfret Post Office during normal office hours.

Dear Postal Service Customer:

Thank you for taking the time to submit your comments to the proposal to close the Pomfret Center Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.
- You expressed a concern about the loss of the Post Office, that this loss would discourage new businesses from coming to the community. Businesses generally require regular and effective postal services, and these will always be provided in the community. There is no indication that the business community will be adversely affected. Most new businesses moving to the community do not depend on the location of a Post Office, but on the provision of effective and regular postal services. Carrier service will accommodate future growth.

I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.

If you have additional questions or comments, please feel free to contact Barbara Mastroianni at (860) 524-6495.

Thank you for taking the time to submit your comments to the proposal to close the Pomfret Center Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- You asked why your Post Office was being discontinued while others were retained. Post Offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.
- You expressed a concern that since the people of your community paid taxes the Post Office should remain open. The Postal Service is not supported by tax dollars and must meet expenses by revenue it generates. Operational savings for the Postal Service contributes in the long run to stable postage rates and savings for customers.

In response to your letter:

- Thank you for your recent optional comments concerning the proposed discontinuance of the Pomfret Center Post Office. Your comments will be compiled in the official record and considered carefully before further action is taken. Let me take this opportunity to address many of the concerns that have been raised. First, as to access to postal services, we recognize that the convenience of the Pomfret Center Post Office to many residents is important. Please be aware that there are five other Post Offices less than five miles from your current post office box address. These may have hours more suited to your schedule and postal requirements. These offices include: South Woodstock 1.6 miles away, Pomfret 2.5 miles away, Rogers 4.2 miles, and the Putnam office which is 5.0 miles away. Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town. The decision to continue Pomfret Center postal operations in the Pomfret facility reflects its central location for the greatest number of Pomfret Center residents. By moving the Pomfret Center post office box customers to Pomfret's building, we can preserve the current addressing for all Pomfret customers, including the name of Pomfret and your ZIP Code. No change of address will be necessary. Your comments in addition to the others received will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the cost savings obtained by the Postal Service from the closure of Post Offices. The Postal Service has developed and begun implementing a range of cost-reducing initiatives. We also have introduced several new products and services, including Priority Mail Flat Rate boxes and Adult Signature service, in an effort to grow revenue.

There have been many concerns with regards to parking and we are currently reviewing our options to increase the availability of parking spaces to accommodate our customers.

I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.

Dear Postal Service Customer:

Thank you for taking the time to submit your comments to the proposal to close the Pomfret Center Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- You expressed a concern about mailbox vandalism. This is a problem that is experienced in many communities. Customers may install a heavier gauge metal box or brick veneer a mail box to make it resistant to vandalism. Customers should report mailbox vandalism to the county sheriff. The concern about misdelivery has been brought to the attention of the administrative postmaster. The Postal Service regrets any inconvenience that customers have experienced because of misdelivery. We consider misdelivered mail a very serious problem and appreciate when customers report this to us since it provides an opportunity to take corrective action. Carrier service can be and, in this case, is more cost-effective than maintaining a postal facility and a postmaster position. The Postal Service estimates an annual savings with this change. Additional funds are necessary in larger cities because of a greater workload. Larger cities often realize greater revenue, which can offset their greater expenses. This problem is experienced in many communities. Customers may install a heavier gauge metal box or brick veneer mailbox to make it resistant to vandalism. Customers should report mailbox vandalism to the county sheriff. We are addressing the concern regarding the lack of parking spaces at the Pomfret Post Office. We are reviewing our parking options to accommodate both our customers and employees, with the increase of customers who use both retail and/or post office box services.

I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.

If you have additional questions or comments, please feel free to contact Barbara Mastroianni at (860) 524-6495.

Thank you for taking the time to submit your comments to the proposal to close the Pomfret Center Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- You expressed a concern that you requested and were denied rural delivery service. There are several guidelines which must be met prior to a road being approved for delivery. The road to be traveled must be maintained at all times of the year. It cannot dead end in a private driveway even if the drive is maintained by a municipality. There must be a suitable turning point provided for the carrier, preferably with no backing. If backing is involved, there are other guidelines to adhere to. If backing is necessitated, the Postmaster must verify it is in a low-traffic area and there are no children in the immediate vicinity on a regular basis. There must also be a minimum of one family per one-half mile of travel. If you have applied for and been denied an extension, you may wish to contact your local magistrate or other county official to determine if they can bring your road up to these standards. At that point, you may reapply for delivery. The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.

I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.

Dear Postal Service Customer:

Thank you for taking the time to submit your comments to the proposal to close the Pomfret Center Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- You were concerned about obtaining services from the carrier. Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

The rural carrier will accept any letters or packages up to 13 ounces for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate.

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

- You expressed a concern that since the people of your community paid taxes the Post Office should remain open. The Postal Service is not supported by tax dollars and must meet expenses by revenue it generates. Operational savings for the Postal Service contributes in the long run to stable postage rates and savings for customers.

I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.

Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- You expressed a concern about the loss of a gathering place and an information center. Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.
- You expressed a concern about having to travel to another Post Office for service. Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Thank you for taking the time to submit your comments to the proposal to close the Pomfret Center Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- The Postal Service regularly reviews and evaluates its post office operations in a continuing effort to meet the range of needs for today's postal customer. Retail sales, customer traffic, post office box use, employee complement, service standards, cost savings, parking, customer access, environmental impact, real estate values and the long-term needs of the Postal Service all have a role to play during such reviews. The study will consider all options to provide service to the Pomfret Center customers. Adequate parking and safe access to and from the building are two components that are addressed. We continue to assess our options and to compile comments of local residents as we look to our next actions. Your letter will be added to the docket as a memo to the record. Postal Concerns

The following postal concerns were expressed

1. Concern (UnFavorable):

Response:

Thank you for your recent optional comments concerning the proposed discontinuance of the Pomfret Center Post Office. Your comments will be compiled in the official record and considered carefully before further action is taken. First, as to access to postal services, we recognize that the convenience of the Pomfret Center Post Office to many residents is important. Please be aware that there are five other Post Offices less than five miles from your current post office box address. These may have hours more suited to your schedule and postal requirements. Several customers have mentioned that the Pomfret Center Post Office is an important part of the community, and adds to the quality of life in the area. We appreciate these feelings and will include them in our report. Also, customers have commented on the friendly service they receive at the Pomfret Center Post Office, and we hope this level of satisfaction is true at our Pomfret Post Office as well. We are currently reviewing other options to resolve the issue of parking at the Pomfret Post Office. The decision to continue Pomfret Center postal operations in the Pomfret facility reflects its central location for the greatest number of Pomfret Center residents. By moving the Pomfret Center post office box customers to Pomfret's building, we can preserve the current addressing for all Pomfret customers, including the name of Pomfret and your ZIP Code. No change of address will be necessary. Your comments in addition to the others received will be included in the official record and considered carefully before further action is taken.

2. Concern (UnFavorable):

Response:

Thank you for your recent optional comments concerning the proposed discontinuance of the Pomfret Center Post Office. Your comments will be compiled in the official record and considered carefully before further action is taken. Let me take this opportunity to address many of the concerns that have been raised. First, as to access to postal services, we recognize that the convenience of the Pomfret Center Post Office to many residents is important. Please be aware that there are five other Post Offices less than five miles from your current post office box address. These may have hours more suited to your schedule and postal requirements. These offices include South Woodstock 1.6 miles away, Pomfret 2.5 miles away, Rogers 4.2 miles, and the Putnam office which is 5.0 miles away. Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town. 3. Concern (UnFavorable):

Customer expressed a concern about mailbox vandalism.

Response:

This is a problem that is experienced in many communities. Customers may install a heavier gauge metal box or brick veneer a mail box to make it resistant to vandalism. Customers should report mailbox vandalism to the county sheriff. The concern about misdelivery has been brought to the attention of the administrative postmaster. The Postal Service regrets any inconvenience that customers have experienced because of misdelivery. This problem is experienced in many communities. Customers may install a heavier gauge metal box or brick veneer mailbox to make it resistant to vandalism. Customers should report mailbox vandalism to the county sheriff. We are addressing the concern regarding the lack of parking spaces at the Pomfret Post Office. We are reviewing our parking options to accommodate both our customers and employees with the increase of customers who use both retail and/or post office box services.

4. Concern (UnFavorable):

Customer expressed a concern about the cost savings obtained by the Postal Service from the closure of Post Offices. Quoting the PRC which said if the Postal Service closed 1000 Post Offices, it would only save 0.7% of the postal budget.

Response:

The Postal Service has developed and begun implementing a range of cost-reducing initiatives. These include: consolidating operations; adjusting delivery routes; restructuring administrative and processing functions and closing district offices. We also have introduced several new products and services, including Priority Mail Flat Rate boxes and Adult Signature Service, in an effort to grow revenue.

There have been many concerns with regards to parking and we are currently reviewing our options to increase the availability of parking spaces to accommodate our customers.

5. Concern (UnFavorable):

Customer expressed a concern that they requested and were denied rural delivery service.

Response:

There are several guidelines which must be met prior to a road being approved for delivery. The road to be traveled must be maintained at all times of the year. It cannot dead end in a private driveway even if the drive is maintained by a municipality. There must be a suitable turning point provided for the carrier, preferably with no backing. There must also be a minimum of one family per one-half mile of travel. If you have applied for and been denied an extension, you may wish to contact your local magistrate or other county official to determine if they can bring your road up to these standards. At that point, you may reapply for delivery. The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.

6. Concern (UnFavorable):

Customers asked why their Post Office was being discontinued while others were retained.

Response:

Post Offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.

7. Concern (UnFavorable):

Customers felt the community should have a Post Office and wanted a new facility provided.

Response:

No suitable quarters are available in the community to house an independent Post Office. A new lease would require a building which meets federal guidelines. A postal facility is not constructed when effective and regular service can be provided by a more cost-effective alternate service.

8. **Concern (Unfavorable):**
Customers were concerned about having to travel to another Post Office for service.

Response:

Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

9. **Concern (Unfavorable):**

10. **Concern (Unfavorable):**
Customers were concerned about mail security.

Response:

Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

11. **Concern (Unfavorable):**
Customers were concerned about obtaining services from the carrier.

Response:

Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the U.S. Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

12. **Concern (Unfavorable):**
Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

13. **Concern (Unfavorable):**
Inconvenient

Response:

The Postal Service regularly reviews and evaluates its post office operations in a continuing effort to meet the range of needs for today's postal customer. Retail sales, customer traffic, post office box use, employee complement, service standards, cost savings, parking, customer access, environmental impact, real estate values and the long-term needs of the Postal Service all have a role to play during such reviews.

level of service, smaller office

Response:

The Postal Service regularly reviews and evaluates its post office operations in a continuing effort to meet the range of needs for today's postal customer. Retail sales, customer traffic, post office box use, employee complement, service standards, cost savings, parking, customer access, environmental impact, real estate values and the long-term needs of the Postal Service all have a role to play during such reviews.

15. **Concern (Unfavorable):**
parking and safety

Response:

The Postal Service regularly reviews and evaluates its post office operations in a continuing effort to meet the range of needs for today's postal customer. Retail sales, customer traffic, post office box use, employee complement, service standards, cost savings, parking, customer access, environmental impact, real estate values and the long-term needs of the Postal Service all have a role to play during such reviews. The study will consider all options to provide service to the Pomfret Center customers. Adequate parking and safe access to and from the building are two components that are addressed. We continue to assess our options and to compile comments of local residents as we look to our next actions. Your letter will be added to the docket as a memo to the record. As we finalize any decision, there are additional mandatory requirements for local notification and opportunity for local comment.

Nonpostal Concerns

The following nonpostal concerns were expressed

1. **Concern (Unfavorable):**
Customers expressed concern for loss of community identity.

Response:

helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.

2. Concern (UnFavorable):

Customers felt the loss of the Post Office would discourage new businesses from coming to the community.

Response:

Businesses generally require regular and effective postal services, and these will always be provided in the community. There is no indication that the business community will be adversely affected. Most new businesses moving to the community do not depend on the location of a Post Office, but on the provision of effective and regular postal services. Carrier service will accommodate future growth.

3. Concern (UnFavorable):

Customers felt the Post Office should remain open since they paid taxes.

Response:

The Postal Service is not supported by tax dollars and must meet expenses by revenue it generates. Operational savings for the Postal Service contributes in the long run to stable postage rates and savings for customers.

4. Concern (UnFavorable):

Customers were concerned about the loss of a gathering place and an information center.

Response:

Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

5. Concern (UnFavorable):

PROPOSAL TO CONSOLIDATE
THE POMFRET CENTER, CT POST OFFICE
AND CONTINUE TO PROVIDE
A INDEPENDENT POST OFFICE
(REVISED)

DOCKET NUMBER 1377978 - 06259

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to consolidate the Pomfret Center, CT Post Office and provide delivery and retail services by a independent post office under the administrative responsibility of the Pomfret Post Office, located two miles away.

A classified branch is operated by career postal employees and provides the same services as an independent post office, except for postage meter setting and acceptance of permit mail.

The postmaster position became vacant when the postmaster was promoted on January 30, 2010. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: The Pomfret Center Post Office has a vacant postmaster position. In the last few years we have seen a decline in mail volume and revenue due to the changes in how our customers' communicate as well as the addition of multiple alternate mailing options now available. By combining both the retail operation and post office boxes of the Pomfret Center Post Office with another facility we will maintain effective and efficient customer service.

The Pomfret Center Post Office, an EAS-16 level, provides service from 8:00am - 4:45pm; closed between 1:00pm - 2:00pm for lunch Monday - Friday, 8:00am - 12:00pm Saturday and lobby hours of 7:30am - 5:00pm on Monday - Friday and 7:30am - 12:00pm on Saturday to 268 post office box or general delivery customers and 1,399 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 127 transaction(s) accounting for 128 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by independent post office. Office receipts for the last 3 years were: \$175,628 (458 revenue units) in FY 2008; \$166,828 (435 revenue units) in FY 2009; and \$156,014 (407 revenue units) in FY 2010. There were one permit mailer(s) or postage meter customer(s).

The classified branch will provide much of the same services as a post office, except for permit mail acceptance and postage meter settings. Retail service is also available at the Pomfret Post Office, an EAS-13 level office located 1.8 miles away. Window service hours are from 8:30am - 16:30pm, Monday through Friday, and 08:30am - 11:30pm on Saturday. There are 45 post office boxes available.

On April 13, 2011, representatives from the Postal Service were available at The Pomfret Community School, located at 20 Pomfret Street to answer questions and provide information to customers. 59 customer(s) attended the meeting.

On March 31, 2011, 1900 questionnaires were distributed to delivery customers of the Pomfret Center Post Office. Questionnaires were also available over the counter for retail customers at the Pomfret Center Post Office. 267 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 1 favorable, 102 unfavorable, and 164 expressed no opinion.

If this proposal is implemented, delivery services will be provided by the Pomfret Post Office, an EAS-13 level office. Retail and PO Box service will still be available at the Pomfret Center Post Office.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

1. **Concern:** Complained of limited parking and traffic safety/congestion.
Response: Provisions will be made to handle the increase of customer traffic by adding additional parking spaces.
2. **Concern:** Complained of limited parking and traffic safety/congestion.
Response: The lack of parking at the Pomfret Post Office provisions will be made to add additional parking to accommodate our customers.
3. **Concern:** Customers expressed concern for those customers with disabilities who are not able to go to adminoffice Post Office to pick up their mail
Response: The customer expressed a concern about those customers with disabilities who are not able to go to the post office to pick up their mail. Customers are not required to travel to another post office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.
4. **Concern:** Customers inquired about building a new facility or a mobile unit

- Response:** The customer inquired about building a new facility or a mobile unit. New construction or the placement of a mobile unit or trailer is not feasible when regular and effective service can be provided by more cost-effective alternatives, such as rural delivery.
5. **Concern:** Customers questioned the economic savings of the proposed discontinuance. Concern was also expressed that too much money was spent in the larger cities
- Response:** The customer expressed a concern about the economic savings of the proposed discontinuance. Concern was also expressed that too much money was spent in the larger cities. Carrier service can be and, in this case, is more cost-effective than maintaining a postal facility and a postmaster position. The Postal Service estimates an annual savings of approximately totalsavings. Additional funds are necessary in larger cities because of a greater workload. Larger cities often realize greater revenue which can offset their greater expenses.
6. **Concern:** Customers said they would miss the special attention and assistance provided by the personnel at the
- Response:** I appreciate the number of comments on the friendly service you receive at the Pomfret Center Post Office. I am confident you will find this level of quality, personal service at our Pomfret Post Office as well. Others have mentioned that the Pomfret center Post office is an important part of the community and adds to the quality of life in the area. We will include these thoughts in our report as well.
7. **Concern:** Customers were concerned about a change of address
- Response:** The customer expressed a concern about a change in address. Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available from the Postal Service to assist customers in notifying correspondents of the change.
8. **Concern:** Customers were concerned about having to travel to another post office for service
- Response:** The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.
9. **Concern:** Customers were concerned about obtaining accountable mail and large parcels
- Response:** The customer expressed a concern about obtaining accountable mail and large parcels. If you live less than one-half mile from the line of travel, the carrier will attempt delivery of accountable items and large parcels to the customer's residence. If the live over one-half mile away or is not home when delivery is attempted, a notice will be left in the mailbox. Large parcels will be left outside the mailbox or at a designated location or a notice will be left in the mailbox. Attempted delivery items will be taken back to the administrative Post Office. Customers may pick up the item at the post office, request redelivery on another day or authorize delivery to another party.
10. **Concern:** Customers were concerned about obtaining services from the carrier
- Response:** The customer were concerned about obtaining services from the carrier, retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R,

Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

11. **Concern:** Customers were concerned about the limited hours of operation at the post office
- Response:** The customer expressed a concern about the limited hours of operation at the post office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue. A workload analysis conducted indicated the office had declined from an EAS-to an EAS- level office, qualifying for hours of service per week. The CPO will provide at least the same number of window service hours as the post office.

15. **Concern:** inquired about building a new facility or a mobile unit

Response: The customer inquired about building a new facility or a mobile unit. New construction or the placement of a mobile unit or trailer is not feasible when regular and effective service can be provided by more cost-effective alternatives, such as rural delivery.

16. **Concern:** No Concern - inconvenient

Response: In your questionnaire you indicated that it would be inconvenient to use another post office. I realize that with change there is always concern. However, we are confident that the Pomfret Post Office will continue to provide you with effective and regular service. We are looking at changes that would have as little impact to our customers as possible and that is why there would be NO Change of Address necessary if you choose to receive your post office box mail at the Pomfret Post Office, located at 32 Putnam Road and installed there. That means you would have the same key, the same box and the same location of the box within the box section configuration and the same zip code you are using now. The length of time that you prepaid your box rent for would also be honored. Street delivery in the 06259 zip code area will not be affected. Additionally, customers may order stamps by telephone with a credit card by calling 1-800-STAMP 24 or by utilizing Stamps by Mail envelopes available at your local post office or from your letter carrier. Retail services such as Click & Ship™ and Carrier Pickup are also available on line at www.usps.com. There are several locations within a short distance of the Pomfret Center where mailing services can be obtained along with multiple Stamps on Consignment locations and an Automated Postal Center with 24/7 access.

17. **Concern:** No Concern - parking

Response: If it is determined that a discontinuance of the Pomfret Center Post Office should be pursued, a formal proposal will be posted in the Pomfret Center Post Office at a later date. 22. **Concern:**

Response:

Thank you for your recent optional comments concerning the proposed discontinuance of the Pomfret Center Post Office. Your comments will be compiled in the official record and considered carefully before further action is taken. First, as to access to postal services, we recognize that the convenience of the Pomfret Center Post Office to many residents is important. Please be aware that there are five other Post Offices less than five miles from your current post office box address. These may have hours more suited to your schedule and postal requirements. Several customers have mentioned that the Pomfret Center Post office is an important part of the community, and adds to the quality of life in the area. We appreciate these feelings and will include them in our report. Also, customers have commented on the friendly service they receive at the Pomfret Center Post Office, and we hope this level of satisfaction is true at our Pomfret Post Office as well. We are currently reviewing other options to resolve the issue of parking at the Pomfret Post Office. The decision to continue Pomfret Center postal operations in the Pomfret facility reflects its central location for the greatest number of Pomfret Center residents. By moving the Pomfret Center post office box customers to Pomfret's building, we can preserve the current addressing for all Pomfret customers, including the name of Pomfret and your ZIP Code. No change of address will be necessary. Your comments in addition to the others received will be included in the official record and considered carefully before further action is t

24. **Concern:**

Response:

Customer expressed a concern about mailbox vandalism.

This is a problem that is experienced in many communities. Customers may install a heavier gauge metal box or brick veneer a mail box to make it resistant to vandalism. Customers should report mailbox vandalism to the county sheriff. The concern about misdelivery has been brought to the attention of the administrative postmaster. The Postal Service regrets any inconvenience that customers have experienced because of misdelivery. We consider misdelivered mail a very serious problem and appreciate when customers report this to us since it provides an opportunity to take corrective action. Carrier service can be and, in this case, is more cost-effective than maintaining a postal facility and a postmaster position. The Postal Service estimates an annual savings with this change. Additional funds are necessary in larger cities because of a greater workload. Larger cities often realize greater revenue, which can offset their greater expenses. This problem is experienced in many communities. Customers may install a heavier gauge metal box or brick veneer mailbox to make it resistant to vandalism. Customers should report mailbox vandalism to the county sheriff. We are addressing the concern regarding the lack of parking spaces at the Pomfret Post Office. We are reviewing our parking options to accommodate both our customers and employees, with the increase of customers who use both retail and/or post office box services.

25. **Concern:** Customer expressed a concern about the cost savings obtained by the Postal Service from the closure of Post Offices. Quoting the PRC which said if the Postal Service closed 1000 Post Offices, it would only save 0.7% of the postal budget.
- Response:** The Postal Service has developed and begun implementing a range of cost-reducing initiatives. These include: consolidating operations, adjusting delivery routes, restructuring administrative and processing functions and closing district offices. We also have introduced several new products and services, including Priority Mail Flat Rate boxes and Adult Signature service, in an effort to grow revenue.
- There have been many concerns with regards to parking and we are currently reviewing our options to increase the availability of parking spaces to accommodate our customers.
26. **Concern:** Customer expressed a concern that they requested and were denied rural delivery service.
- Response:** There are several guidelines which must be met prior to a road being approved for delivery. The road to be traveled must be maintained at all times of the year. It cannot dead end in a private driveway even if the drive is maintained by a municipality. There must be a suitable turning point provided for the carrier, preferably with no backing. If backing is involved, there are other guidelines to adhere to. If backing is necessitated, the Postmaster must verify it is in a low-traffic area and there are no children in the immediate vicinity on a regular basis. There must also be a minimum of one family per one-half mile of travel. If you have applied for and been denied an extension, you may wish to contact your local magistrate or other county official to determine if they can bring your road up to these standards. At that point, you may reapply for delivery. The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.
27. **Concern:** Customers asked why their Post Office was being discontinued while others were retained.
- Response:** Post Offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.
28. **Concern:** Customers felt the community should have a Post Office and wanted a new facility provided.
- Response:** No suitable quarters are available in the community to house an independent Post Office. A new lease would require a building which meets federal guidelines. A postal facility is not constructed when effective and regular service can be provided by a more cost-effective alternate service.
29. **Concern:** Customers were concerned about having to travel to another Post Office for service.
- Response:** Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.
30. **Concern:** Customers were concerned about having to travel to another Post Office for service.

Response:

31. **Concern:**

Customers were concerned about mail security.

Response:

Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

32. **Concern:**

Customers were concerned about obtaining services from the carrier.

Response:

Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

The rural carrier will accept any letters or packages up to 13 ounces for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate. Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

33. **Concern:**

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

34. **Concern:**

Inconvenient

Response:

The Postal Service regularly reviews and evaluates its post office operations in a continuing effort to meet the range of needs for today's postal customer. Retail sales, customer traffic, post office box use, employee complement, service standards, cost savings, parking, customer access, environmental impact, real estate values and the long-term needs of the Postal Service all have a role to play during such reviews.

We continue to assess our options and to compile comments of local residents as we look to our next actions. Your letter will be added to the docket as a memo to the record. As we finalize any decision, there are additional mandatory requirements for local notification and opportunity for local comment.

37. **Concern:**

Customer expressed a concern about package delivery and pickup

Response:

The customer expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport.

38. **Concern:**

Parking is a concern

Response:

We will review the concern regarding the lack of parking to see what is available.

39. **Concern:**

What are the penalties imposed if you break that lease and put both entities in on building? Maybe it is a better deal?

Response:

Some leases have termination clauses which would need to be reviewed, at this point we are still in a data collecting phase and this is why your community input is so very important.

40. **Concern:**

Will duplicate numbers for PO boxes be an issue?

Response:

Pomfret Center will be issued their own numbers in order to preserve the community's identity.

Some advantages of the proposal are:

1. Maintains a postal facility and retail outlet in the community.
2. Customers will continue to use the same mailing address and ZIP Code. There will be no change to customers' addresses.
3. The unit will continue to provide nonpostal services, a community gathering place and information center.
4. Provides the same retail service as an independent post office.
5. A savings for the Postal Service, which contributes in the long run to stable postage rates and savings for customers.

Some disadvantages of the proposal are:

1. Loss of an independent post office in the community.
2. Loss of a postmaster position.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Pomfret Center is an unincorporated community located in WINDHAM County. The community is administered politically by Town of Pomfret. Police protection is provided by the CT State Police. Fire protection is provided by the Pomfret Fire Dept.. The community is comprised of retirees, commuters, and self-employed, and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: , listed on Post Office Survey- these businesses are comprised of both residential business and post office box businesses. . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Pomfret Center Post Office will continue to be provided by the Pomfret Center Post Office .

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customers expressed concern for loss of community identity.
Response: A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.
2. **Concern:** Customers felt the loss of the Post Office would discourage new businesses from coming to the community.
Response: Businesses generally require regular and effective postal services, and these will always be provided in the community. There is no indication that the business community will be adversely affected. Most new businesses moving to the community do not depend on the location of a Post Office, but on the provision of effective and regular postal services. Carrier service will accommodate future growth.
3. **Concern:** Customers felt the Post Office should remain open since they paid taxes.
Response: The Postal Service is not supported by tax dollars and must meet expenses by revenue it generates. Operational savings for the Postal Service contributes in the long run to stable postage rates and savings for customers.
4. **Concern:** Customers were concerned about the loss of a gathering place and an information center.
Response: Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was promoted on January 30, 2010. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 82,216 with a breakdown as follows:

Postmaster Salary (EAS-16, No COLA)	\$ 41,810
Fringe Benefits @ 33.5%	\$ 14,006
Annual Lease Costs	<u>+ \$ 26,400</u>
Total Annual Costs	\$ 82,216
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 82,216</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to consolidate the Pomfret Center, CT Post Office and provide delivery and retail services by a independent post office under the administrative responsibility of the Pomfret Post Office, located two miles away.

The postmaster was promoted on January 30, 2010. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by independent post office.

The Pomfret Center Post Office provided delivery and retail service to 268 PO Box or general delivery customers and 1,399 delivery route customers. The daily retail window transactions averaged 127. There are one permit mailers or postage meter customers.

A classified branch will continue to provide the same services as an independent post office, except for permit mailings and meter settings. There will be a loss of the postmaster position. However, the branch will be operated by career postal employees. To help preserve community identity, the community name and ZIP Code will be retained in the mailing address. Customers will experience no change in address. The Postal Service will save an estimated \$82,216 annually. The branch will be administered and supervised by the Postal Service to ensure that high standards of service are maintained.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Pomfret Center Post Office and Pomfret Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to consolidate this post office. If a final determination is made to consolidate this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

FINAL DETERMINATION TO CLOSE
THE POMFRET CENTER, CT POST OFFICE
AND CONTINUE TO PROVIDE
SERVICE BY INDEPENDENT POST OFFICE

DOCKET NUMBER 1377978 - 06259

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is issuing the final determination to close the Pomfret Center, CT Post Office and provide delivery and retail services by independent post office under the administrative responsibility of the Pomfret Post Office, located two miles away.

The postmaster position became vacant when the postmaster was promoted on January 30, 2010. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office was studied for possible closing or consolidation due to the following reasons: The Pomfret Center Post Office has a vacant postmaster position. In the last few years we have seen a decline in mail volume and revenue due to the changes in how our customers' communicate as well as the addition of multiple alternate mailing options now available. By combining both the retail operation and post office boxes of the Pomfret Center Post Office with another facility we will maintain effective and efficient customer service.

The Pomfret Center Post Office, an EAS-16 level, provides service from 8:00am - 4:45pm; closed between 1:00pm - 2:00pm for lunch Monday - Friday, 8:00am - 12:00pm Saturday and lobby hours of 7:30am - 5:00pm on Monday - Friday and 7:30am - 12:00pm on Saturday to 268 post office box or general delivery customers and 1,399 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 127 transaction(s) accounting for 128 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by independent post office. Office receipts for the last 3 years were: \$175,628 (458 revenue units) in FY 2008; \$166,828 (435 revenue units) in FY 2009; and \$156,014 (407 revenue units) in FY 2010. There were one permit mailer(s) or postage meter customer(s).

On April 13, 2011, representatives from the Postal Service were available at The Pomfret Community School, located at 20 Pomfret Street to answer questions and provide information to customers. 59 customer(s) attended the meeting.

On March 31, 2011, 1900 questionnaires were distributed to delivery customers of the Pomfret Center Post Office. Questionnaires were also available over the counter for retail customers at the Pomfret Center Post Office. 267 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 1 favorable, 102 unfavorable, and 164 expressed no opinion.

When this final determination is implemented, delivery and retail services will be provided by the Pomfret Post Office, an EAS-13 level office. Window service hours at the Pomfret Post Office are from 8:30am - 16:30pm, Monday through Friday, and 08:30am - 11:30pm on Saturday. There are 45 post office boxes available.

The proposal to close the Pomfret Center Post Office was posted with an invitation for comment at the Pomfret Center Post Office and Pomfret Post Office from June 06, 2011 to August 07, 2011. The following additional concerns were received during the proposal posting period:

1. **Concern:** Complained of limited parking and traffic safety/congestion.

Response: Provisions will be made to handle the increase of customer traffic by adding additional parking spaces.
2. **Concern:** Complained of limited parking and traffic safety/congestion.

Response: The lack of parking at the Pomfret Post Office provisions will be made to add additional parking to accommodate our customers.
3. **Concern:** Customers expressed concern for those customers with disabilities who are not able to go to adminoffice Post Office to pick up their mail

Response: The customer expressed a concern about those customers with disabilities who are not able to go to the post office to pick up their mail. Customers are not required to travel to another post office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.
4. **Concern:** Customers inquired about building a new facility or a mobile unit

Response: The customer inquired about building a new facility or a mobile unit. New construction or the placement of a mobile unit or trailer is not feasible when regular and effective service can be provided by more cost-effective alternatives, such as rural delivery.

5. **Concern:** Customers questioned the economic savings of the proposed discontinuance. Concern was also expressed that too much money was spent in the larger cities
- Response:** The customer expressed a concern about the economic savings of the proposed discontinuance. Concern was also expressed that too much money was spent in the larger cities. Carrier service can be and, in this case, is more cost-effective than maintaining a postal facility and a postmaster position. The Postal Service estimates an annual savings of approximately totalsavings. Additional funds are necessary in larger cities because of a greater workload. Larger cities often realize greater revenue which can offset their greater expenses.
6. **Concern:** Customers said they would miss the special attention and assistance provided by the personnel at the
- Response:** I appreciate the number of comments on the friendly service you receive at the Pomfret Center Post Office. I am confident you will find this level of quality, personal service at our Pomfret Post Office as well. Others have mentioned that the Pomfret center Post office is an important part of the community and adds to the quality of life in the area. We will include these thoughts in our report as well.
7. **Concern:** Customers were concerned about a change of address
- Response:** The customer expressed a concern about a change in address. Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available from the Postal Service to assist customers in notifying correspondents of the change.
8. **Concern:** Customers were concerned about having to travel to another post office for service
- Response:** The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.
9. **Concern:** Customers were concerned about obtaining accountable mail and large parcels
- Response:** The customer expressed a concern about obtaining accountable mail and large parcels. If you live less than one-half mile from the line of travel, the carrier will attempt delivery of accountable items and large parcels to the customer's residence. If the live over one-half mile away or is not home when delivery is attempted, a notice will be left in the mailbox. Large parcels will be left outside the mailbox or at a designated location or a notice will be left in the mailbox. Attempted delivery items will be taken back to the administrative Post Office. Customers may pick up the item at the post office, request redelivery on another day or authorize delivery to another party.
10. **Concern:** Customers were concerned about obtaining services from the carrier
- Response:** The customer were concerned about obtaining services from the carrier, retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US

Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

| Response: | The customer expressed a concern about the limited hours of operation at the post office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue. A workload analysis conducted indicated the office had declined from an EAS-to an EAS- level office, qualifying for hours of service per week. The CPO will provide at least the same number of window service hours as the post office. |

| 16. Concern: | No Concern - inconvenient |

Response:

In your questionnaire you indicated that it would be inconvenient to use another post office. I realize that with change there is always concern. However, we are confident that the Pomfret Post Office will continue to provide you with effective and regular service. We are looking at changes that would have as little impact to our customers as possible and that is why there would be NO Change of Address necessary if you choose to receive your post office box mail at the Pomfret Post Office, located at 32 Putnam Road and installed there. That means you would have the same key, the same box and the same location of the box within the box section configuration and the same zip code you are using now. The length of time that you prepaid your box rent for would also be honored. Street delivery in the 06259 zip code area will not be affected. Additionally, customers may order stamps by telephone with a credit card by calling 1-800-STAMP 24 or by utilizing Stamps by Mail envelopes available at your local post office or from your letter carrier. Retail services such as Click & Ship™ and Carrier Pickup are also available on line at www.usps.com. There are several locations within a short distance of the Pomfret Center where mailing services can be obtained along with multiple Stamps on Consignment locations and an Automated Postal Center with 24/7 access.

17. **Concern:**

No Concern - parking

Response:

If it is determined that a discontinuance of the Pomfret Center Post Office should be pursued, a formal proposal will be posted in the Pomfret Center Post Office at a later date. If you have additional thoughts or comments, please feel free to contact Barbara Mastroianni, Post Office Review Coordinator at (860) 524-6495.

18. **Concern:**

We are currently reviewing the concerns regarding the parking at the Pomfret Post Office and are looking for a resolution. 21. **Concern:**

You were concerned about having to travel to another post office for service

Response:

The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

22. **Concern:**

Response:

Thank you for your recent optional comments concerning the proposed discontinuance of the Pomfret Center Post Office. Your comments will be compiled in the official record and considered carefully before further action is taken. First, as to access to postal services, we recognize that the convenience of the Pomfret Center Post Office to many residents is important. Please be aware that there are five other Post Offices less than five miles from your current post office box address. These may have hours more suited to your schedule and postal requirements. Several customers have mentioned that the Pomfret Center Post office is an

important part of the community, and adds to the quality of life in the area. We appreciate these feelings and will include them in our report. Also, customers have commented on the friendly service they receive at the Pomfret Center Post Office, and we hope this level of satisfaction is true at our Pomfret Post Office as well. We are currently reviewing other options to resolve the issue of parking at the Pomfret Post Office. The decision to continue Pomfret Center postal operations in the Pomfret facility reflects its central location for the greatest number of Pomfret Center residents. By moving the Pomfret Center post office box customers to Pomfret's building, we can preserve the current addressing for all Pomfret customers, including the name of Pomfret and your ZIP Code. No change of address will be necessary. Your comments in addition to the others received will be included in the official record and considered carefully before further action is taken.

23. **Concern:**

Your comments will be compiled in the official record and considered carefully before further action is taken. Let me take this opportunity to address many of the concerns that have been raised. First, as to access to postal services, we recognize that the convenience of the Pomfret Center Post Office to many residents is important. Please be aware that there are five other Post Offices less than five miles from your current post office box address. These may have hours more suited to your schedule and postal requirements. These offices include: South Woodstock 1.6 miles away, Pomfret 2.5 miles away, Rogers 4.2 miles, and the Putnam office which is 5.0 miles away. Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town. The decision to continue Pomfret Center postal operations in the Pomfret facility reflects its central location for the greatest number of Pomfret Center residents. By moving the Pomfret Center post office box customers to Pomfret's building, we can preserve the current addressing for all Pomfret customers, including the name of Pomfret and your ZIP Code. No change of address will be necessary. Your comments in addition to the others received will be included in the official record and considered carefully before further action is taken.

24. **Concern:**

Response:

Customer expressed a concern about mailbox vandalism.

This is a problem that is experienced in many communities. Customers may install a heavier gauge metal box or brick veneer a mail box to make it resistant to vandalism. Customers should report mailbox vandalism to the county sheriff. The concern about misdelivery has been brought to the attention of the administrative postmaster. The Postal Service regrets any inconvenience that customers have experienced because of misdelivery. We consider misdelivered mail a very serious problem and appreciate when customers report this to us since it provides an opportunity to take corrective action. Carrier service can be and, in this case, is more cost-effective than maintaining a postal facility and a postmaster position. The Postal Service estimates an annual savings with this change. Additional funds are necessary in larger cities because of a greater workload. Larger cities often realize greater revenue, which can offset their greater expenses. This problem is experienced in many communities. Customers may install a heavier gauge metal box or brick veneer mailbox to make it resistant to vandalism. Customers should report mailbox vandalism to the county sheriff. We are addressing the concern regarding the lack of parking spaces at the Pomfret Post Office. We are reviewing our parking options to accommodate both our customers and employees, with the increase of customers who use both retail and/or post office box services.

25. **Concern:**

Customer expressed a concern about the cost savings obtained by the Postal Service from the closure of Post Offices. Quoting the PRC which said if the Postal Service closed 1000 Post Offices, it would only save 0.7% of the postal budget.

Response:

The Postal Service has developed and begun implementing a range of cost-reducing initiatives. These include: consolidating operations, adjusting delivery routes, restructuring administrative and processing functions and closing district offices. We also have introduced several new products and services, including Priority Mail Flat Rate boxes and Adult Signature service, in an effort to grow revenue.

There have been many concerns with regards to parking and we are currently reviewing our options to increase the availability of parking spaces to accommodate our customers.

26. **Concern:**

Customer expressed a concern that they requested and were denied rural delivery service.

Response:

There are several guidelines which must be met prior to a road being approved for delivery. The road to be traveled must be maintained at all times of the year. It cannot dead end in a private driveway even if the drive is maintained by a municipality. There must be a suitable turning point provided for the carrier, preferably with no backing. If backing is involved, there are other guidelines to adhere to. If backing is necessitated, the Postmaster must verify it is in a low-traffic area and there are no children in the immediate vicinity on a regular basis. There must also be a minimum of one family per one-half mile of travel. If you have applied for and been denied an extension, you may wish to contact your local magistrate or other county official to determine if they can bring your road up to these standards. At that point, you may reapply for delivery. The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.

27. **Concern:**

Customers asked why their Post Office was being discontinued while others were retained.

Response:

Post Offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.

28. **Concern:**

Customers felt the community should have a Post Office and wanted a new facility provided.

Response:

No suitable quarters are available in the community to house an independent Post Office. A new lease would require a building which meets federal guidelines. A postal facility is not constructed when effective and regular service can be provided by a more cost-effective alternate service.

29. **Concern:**

Customers were concerned about having to travel to another Post Office for service.

Response:

Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

30. **Concern:**

Customers were concerned about having to travel to another Post Office for service.

31. **Concern:** Customers were concerned about mail security.

Response: Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

32. **Concern:** Customers were concerned about obtaining services from the carrier.

Response: Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

The rural carrier will accept any letters or packages up to 13 ounces for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate. Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

33. **Concern:** Customers were concerned about senior citizens.

Response: Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

34. **Concern:** Inconvenient

Response: The Postal Service regularly reviews and evaluates its post office operations in a continuing effort to meet the range of needs for today's postal customer. Retail sales, customer traffic, post office box use, employee complement, service standards, cost savings, parking, customer access, environmental impact, real estate values and the long-term needs of the Postal Service all have a role to play during such reviews.

35. **Concern:** level of service;smaller office
- Response:** The Postal Service regularly reviews and evaluates its post office operations in a continuing effort to meet the range of needs for today's postal customer. Retail sales, customer traffic, post office box use, employee complement, service standards, cost savings, parking, customer access, environmental impact, real estate values and the long-terms needs of the Postal Service all have a role to play during such reviews.
36. **Concern:** parking and safety
- Response:** The Postal Service regularly reviews and evaluates its post office operations in a continuing effort to meet the range of needs for today's postal customer. Retail sales, customer traffic, post office box use, employee complement, service standards, cost savings, parking, customer access, environmental impact, real estate values and the long-terms needs of the Postal Service all have a role to play during such reviews. The study will consider all options to provide service to the Pomfret Center customers. Adequate parking and safe access to and from the building are two components that are addressed. We continue to assess our options and to compile comments of local residents as we look to our next actions. Your letter will be added to the docket as a memo to the record. As we finalize any decision, there are additional mandatory requirements for local notification and opportunity for local comment.
37. **Concern:** Customer expressed a concern about package delivery and pickup
- Response:** The customer expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport.
38. **Concern:** Parking is a concern
- Response:** We will review the concern regarding the lack of parking to see what is available.
39. **Concern:** What are the penalties imposed if you break that lease and put both entities in on building? Maybe it is a better deal?
- Response:** Some leases have termination clauses which would need to be reviewed, at this point we are still in a data collecting phase and this is why your community input is so very important.
40. **Concern:** Will duplicate numbers for PO boxes be an issue?
- Response:** Pomfret Center will be issued their own numbers in order to preserve the community's identity.

Some advantages of the proposal are:

1. The rural and contract carriers may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this final determination will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Pomfret Center is an unincorporated community located in WINDHAM County. The community is administered politically by Town of Pomfret. Police protection is provided by the CT State Police. Fire protection is provided by the Pomfret Fire Dept.. The community is comprised of retirees, commuters, and self-employed and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: , listed on Post Office Survey- these businesses are comprised of both residential business and post office box businesses. . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Pomfret Center Post Office will be available at the Pomfret Post Office. Government forms normally provided by the Post Office will also be available at the Pomfret Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

- | | |
|--------------------|---|
| 1. Concern: | Customers expressed concern for loss of community identity. |
| Response: | A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses. |
| 2. Concern: | Customers felt the loss of the Post Office would discourage new businesses from coming to the community. |
| Response: | Businesses generally require regular and effective postal services, and these will always be provided in the community. There is no indication that the business community will be adversely affected. Most new businesses moving to the community do not depend on the location of a Post Office, but on the provision of effective and regular postal services. Carrier service will accommodate future growth. |
| 3. Concern: | Customers felt the Post Office should remain open since they paid taxes. |
| Response: | The Postal Service is not supported by tax dollars and must meet expenses by revenue it generates. Operational savings for the Postal Service contributes in the long run to stable postage rates and savings for customers. |
| 4. Concern: | Customers were concerned about the loss of a gathering place and an information center. |
| Response: | Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town. |

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this final determination will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was promoted on January 30, 2010. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 82,216 with a breakdown as follows:

Postmaster Salary (EAS-16, No COLA)	\$ 41,810
Fringe Benefits @ 33.5%	\$ 14,006
Annual Lease Costs	<u>+ \$ 26,400</u>
Total Annual Costs	\$ 82,216
Less Annual Cost of Replacement Service	<u>- \$ 0</u>

Total Annual Savings

\$ 82,216

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

This is the final determination to close the Pomfret Center, CT Post Office and provide delivery and retail services by independent post office under the administrative responsibility of the Pomfret Post Office, located two miles away.

The postmaster was promoted on January 30, 2010. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. The workload has declined. Effective and regular service will continue to be provided by independent post office.

The Pomfret Center Post Office provided delivery and retail service to 268 PO Box or general delivery customers and 1,399 delivery route customers. The daily retail window transactions averaged 127. There are one permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$82,216 annually. A disadvantage to some will be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this final determination is warranted.
